Activity Highlights

Our summer outing adventure ended with a fabulous afternoon at the West Bend Germanfest! It could not have been better. Looking forward to attending next year. Many thanks to the volunteers who made this possible.

We are fortunate to have enjoyed a couple of afternoons at beautiful Pike Lake State Park nearby.

We also enjoy live music! In August we were graced with accordion music with tunes that brought back so many good memories. It was almost like a sing- along. Speaking of sing-along, the choir from Divine Savior Lutheran conducted one here on a Sunday morning recently. We appreciate those willing to share their love of music with our residents.

On Friday, September 6th, we enjoyed musical entertainment by Stevie Keys. A couple of our residents danced, our Polka Queen Kelly sang, and a good time was had by all!

Spooktacular Halloween Mask Craft

Using a paper plate, cut out holes for the eyes and mouth. Trim off the circular edges for a unique shape. Use paint, markers, crayons, or colored pencils to decorate the front of the paper plate. You can draw a spooky face, a friendly character, or any Halloween-themed design. Use glue to attach feathers, sequins, glitter, or googly eyes to embellish your mask.

Punch a hole on each side of the mask, near the edges. Thread a piece of string or elastic cord through each hole and tie knots to secure them when you get the perfect fit. Show off your spooktacular creation to friends and family and encourage them to join in the fun!
