Update on Transitions within the Facility

Carmen Clark, formerly HR, is in the process of transitioning to be our Administrator. We have Art Schmitz and Andrew Sowles in the building as interim Administrators assisting Carmen with this process. Both Art and Andrew come with years of experience and are committed to helping Carmen succeed in her new role. Please stop by the Administrator office and Congratulate Carmen and Welcome Art and Andrew!

Welcome Kayla Maner, our new Assistant Director of Nursing!

My name is Kayla Maner. I am the new Assistant Director of Nursing. I decided to come to Geneva Lake Manor to be able to make a difference as well as share my knowledge and background with others. I moved from Florida (Tampa Bay area) to Wisconsin back in 2022, I know you are probably asking yourself why someone would do that!? Although Florida is beautiful in its own way, the population and cost has increased so much that it wasn't enjoyable anymore. I genuinely enjoy the four seasons here in Wisconsin, but I do not like driving in the snow. I have worked in healthcare for 16 years. I started out as a private caregiver while I was going to school to be a certified nursing assistant. I was a CNA and Med-Tech for about 8 years then decided to try something different. I went into housekeeping and from there worked my way into management. I then returned to school to be a Registered Nurse. I have a passion for helping others and being their advocate when needed. I enjoy cooking, spending time with my 3 children, being outside when it's nice and warm and fishing.

Welcome Jasmyn, our new Human Resources Manager!

My name is Jasmyn, and I am the new Human Resources Manager for Geneva Lake Manor. I feel so blessed to have the opportunity to create lovely relationships with our community here.

My favorite hobbies include web site designing, music creation, and literature! Writing embraces my mind, and I am very passionate about sharing that around me! My favorite color is purple and yellow because they make the best sunsets and sunrises. Sometimes my face hurts from how much I smile, but who doesn't love smiling:) I'm very lucky to be welcomed by Geneva Lake Manor and excited for what's to come!

Welcome Amber, our new Nursing Department Scheduler!

Hello! My name is Amber and I'm Geneva Lake Manor's new Nursing Department Scheduler! I have three beautiful children – Parker, Isla, Karsten, and a cat named Shrimp. I love throw blankets, reading (Stephen King), and chocolate! Shawshank Redemption is my all-time favorite movie, I love when it rains all day, and moody greens and blues. I am so very excited to be here and meet everyone! Thank you all for making me feel so welcome already!

During National Nurses Week, May 6 – 12, our community staff extends a heartfelt appreciation to our nurses, who tirelessly dedicate themselves to provide healing and care to our residents.

How you make others feel about themselves says a lot about you.

*No visitation restrictions currently.
Please refrain from visiting if you are not feeling well.*
